

CORPORATE TAX CHEATS

are bankrupting America

Bank of America paid ZERO dollars in taxes and has 115 offshore tax havens.

GE paid ZERO dollars in taxes even though they made \$14 billion in profits

Verizon paid ZERO dollars in taxes but had no trouble finding \$34 million to spend on lobbying

Corporate tax cheats are bankrupting America. **NO CUTS** until they pay up!

Many of America's most profitable companies pay **ZERO in taxes**. If they paid their fair share, we wouldn't have to cut teachers and firefighters.

Every year corporate **tax havens cheat us out of \$100 billion**. That's nearly enough to balance the budgets of all 50 states.

What can YOU do to put a stop to this?

First get angry, then get active!

Join Us Uncut! We're staging hundreds of actions nationwide and taking our demands straight to the tax cheats' doors.
